

Investment Banking Internship

Augusta & Co welcomes applications for its internship programmes

Three-month internships are usually available throughout the year. We are especially looking for candidates for January 2021 and onwards.

Augusta & Co is an independent London based specialist financial advisory and investment house serving the European renewable energy sector

An independent company owned by its senior staff, Augusta is free of conflicts with larger sources of capital, has successfully raised over €12 billion of equity, closed 100 plus transactions which represents over 22GW of renewable energy assets. Augusta has been closing pioneering transaction in the renewable industry since 2002.

Typical candidates will demonstrate the following credentials

- Professional experience: A previous internship in investment banking, consulting, renewable energy or other transaction services is desirable
- Education: Top results from a leading university, ideally in finance, economics or the sciences
- Sector interest: A passion to work in investment banking with a strong understanding of the renewable energy sector
- Motivated: Ability to work under pressure in a collaborative environment
- Maturity: Ability to deal with senior industry counterparties
- Enterprising: High level of initiative
- Skills: Excellent analytical skills with demonstrable proficiency in Microsoft Excel and PowerPoint
- Languages: Fluency in English and ideally another European language

Role description

Interns will be responsible for discrete, value-add packages of work, with clear deliverables over the timeframe of their internship, including:

- Support junior and senior bankers on live transactions and pitches
- Prepare presentations and other materials for clients
- In-depth company/sector research and data analysis
- Trading and transaction comparables

Application process

Interested candidates should send their applications in the form of a CV and a covering email (please indicate your availability and your preferred timing for the internship) to: info@augustaco.com

Due to the high volume of applications we receive, we are unfortunately only able to contact applicants invited to the interview stage. Please note that Augusta & Co is unable to reimburse travel expenses related to the interview process. Augusta & Co does not sponsor work visas at this time.
