

**Job Title:** Investment Banking Analyst Interns  
**Location:** UK, London, Mayfair  
**Start Date:** Flexible  
**Duration:** Three-month internship with opportunity for full-time positions

Augusta & Co is a leading renewable energy and sustainability financial advisory and investment house. Founded in 2002, it remains a fully independent and partner-owned establishment with specialised bankers across four offices and headquartered in London. Augusta & Co is entirely dedicated to sustainability infrastructure, with deep expertise across the renewable energy and energy transition sector.

## Job Description

Augusta & Co welcomes applications for its internship programme, where we operate a three-month internship on a rolling basis throughout the year. The intern programme is a key source of junior hires across the firm and acts as a springboard for an exciting career in our fast-growing company and in the energy transition sector.

Interns can expect high exposure to Augusta's activities in a collaborative team environment. You will have the opportunity to contribute across a wide variety of tasks and be responsible for value-add packages of work with clear deliverables over the timeframe of the internship, including:

- Supporting junior and senior bankers on live transactions and pitches
- Preparing presentations and other materials for clients
- Operating financial models and valuations
- Performing in-depth company/sector research and data analysis

## Credentials

We seek candidates that can demonstrate many of the following credentials:

- Education: top results from a leading university
- Sector interest: a passion to work in the renewable energy and energy transition sector, where experience in the sector and/or financial services (investment banking, consulting, renewable energy firms or other transaction services) is highly desirable
- Motivated: ability to work under pressure in a collaborative environment
- Maturity: ability to deal with senior industry counterparties
- Enterprising: high level of initiative
- Skills: excellent analytical skills with demonstrable proficiency in Microsoft Excel and PowerPoint
- Relationships: a record of developing trust and nurturing relationships with peers and/or clients
- Languages: fluency in English and ideally another European language

## Application Process

- Interested candidates can submit their application in the form of a CV and a covering letter (please indicate your availability, preferred timing for the role, and details of your right to work in the UK) to: [info@augustaco.com](mailto:info@augustaco.com)
- Due to the high volume of applications, we can only contact applicants invited to the interview stage
- Initial interviews will be conducted remotely via Microsoft Teams
